

Habitat activation and login

1 Download Habitat

Use the iPhone or Android link, or scan the QR code for your phone.

[iPhone](#)

[Android](#)

2 Open Habitat and tap “Use invite code”

3 Enter your invitation details

Email or generated login: use the email address that received your invitation.

Invite or activation code: paste the full code.

4 Add your name and password

Display name: enter your name.

Create password: at least 10 characters, with a letter and number.

5 Accept the terms and activate

Read and select “**I have read and agree to the Terms & Community Standards.**” Then tap **Activate account.**

Your new account signs in automatically.

If you need to sign in again, use the same email and password.

Already have a Habitat account? Follow the prompt to sign in with your existing password.

30-day onboarding period

Amenity bookings are coming soon and are not available in Habitat during this onboarding period. Continue using ADDA; we'll announce the switch date.

Share your feedback through [Profile → Feedback](#).

Your contribution counts

Best idea or feedback

AED 1,000 worth of Habitat points

Most engaging community contributions

AED 1,000 worth of Habitat points

Each selected winner receives their own award, usable in the app over the coming months.
